Clinical Experience

- Alison is a highly experience Clinical Lead Occupational Therapist.
- She has over 19 years of experience working in the NHS and private practice.
- With a wide range of clinical experience, Alison is a specialist in neurological conditions and mental health.
- Alison is experienced in the Mental Capacity Act and Safeguarding Adults Legislation.
- Her experience includes mentoring of clinicians and she has a passion for continuous learning.

Rehabilitation Expertise

Rehabilitation Management

- Alison has outstanding experience working across a range of NHS departments and in the community most recently working with clients with stroke/neurological conditions.
- Her joint occupational therapy and psychology background enables her to undertake complex cases where there has been significant psychological impact on the client.
- With a strong focus on goals and outcomes, Alison supports her clients to maximise their rehabilitation potential.

- Experienced in working in a multi-disciplinary team, she has an excellent knowledge of the statutory services.
- Alison has experience of client discharge from hospital and home assessments, allowing her to identify and build solutions to support a safe return to the home.

Vocational Rehabilitation

- With her experience in functional assessments, Alison has the skills to work with vocational colleagues to identify and manage the relevant vocational interventions and return to work programmes.
