- Chronic Pain

Clinical Experience

- An Occupational Therapist, Fiona has been a Rehabilitation Manager since 2012.
- Fiona previously worked within the NHS prior to becoming a case manager. She has gained experience working in rotational posts including orthopaedics, haematology, accident and emergency and Hand Therapy.
- Fiona qualified from Coventry University as an Occupational Therapist in 2008 and worked within the NHS prior to becoming a Case Manager in 2012.

Rehabilitation Expertise

Rehabilitation Management

- Fiona's background included providing comprehensive assessments within the hospital, home and community. These assessments included the development of detailed rehabilitation plans in conjunction with the multidisciplinary teams for clients with any life changing injury.
- Fiona predominantly manages cases involving serious and complex injuries.
- To deliver the best outcomes Fiona uses SMART goals and evidence-based interventions in her rehabilitation plans.

- Her knowledge of, and contacts in, the NHS and private service providers allow her to identify the most appropriate and effective treatment for her clients.

Vocational Rehabilitation

- Fiona is experienced in providing the appropriate support for return to work, this includes carrying out workplace assessments and arranging bespoke return to work plans.
- Fiona is able to carry out Functional Capacity Evaluations (FCE) in the workplace to assess an individual's capacity for returning to work and assisting with their graduated return.
