Areas Covered: London, South East, South West

Specialisms

Acquired Brain Injury

Psychological Trauma

Orthopaedic Trauma

Injury Expertise

- Acquired Brain Injury
- Amputation (Lower & Upper Limb)
- Chronic Pain
- Orthopaedic Injury
- Psychological Trauma

Clinical Experience

- Krystal is a qualified General Nurse with 19 years of experience in caring for adults with complex needs in both the NHS and private sectors.
- Krystal has been a Rehabilitation Manager since 2005.
- Krystal has worked within a variety of settings within the NHS in England and the HSE in the Republic of Ireland, including Trauma and Orthopaedics, Plastics, General Surgery, and General Medical. During this time Krystal became a Senior Nurse, gaining management experience.
- Krystal is a qualified Clinical Supervisor, having gained Certification via the BPS (British Psychological Society). She is also currently undertaking a Diploma in Clinical Supervision.

Rehabilitation Expertise

Rehabilitation Management

- Krystal has extensive experience of managing clients with severe and catastrophic injuries, including acquired brain injury and amputees.
- This is complimented by her complex psychological trauma experience.
- Her organisational skills ensure Krystal maintains the best level of contact with all parties,

focussing on service levels and outcomes.

- Knowledge and understanding of facilities available in the public sector within Greater London and the South East means that Krystal can advise on benefits, access to facilities and liaison with housing associations, ensuring clients are supported in the best way possible.

Vocational Rehabilitation

- Krystal's vocational rehabilitation experience includes return to work meetings, agreeing and implementing safe and graduated return to work programmes, and assistance with CV production and job seeking activities.
- Krystal also works in tandem with vocational experts, when required, to ensure clients' goals are achieved.

CPD & Training

- Flags Biopsychosocial Model: Applying to rehabilitation management
- Motivational Interviewing
- Mental Health Training (depression, anxiety and suicide)

Memberships & Qualifications

- BSc (Hons) Nursing
- Registered with the NMC
- Member of RCN, CMSUK & BABICM
- British Association of Counselling & Psychotherapy (MBACP)
- Essentials of Clinical Supervision
- Trustee & Accredited Member of COSRT
