Specialisms

Orthopaedic Trauma

Musculoskeletal

Neurological Conditions

Injury Expertise

- Neurological Conditions
- Complex Orthopaedic Trauma
- Musculoskeletal
- Psychological Trauma

Clinical Experience

- Lisa is an experienced Occupational Therapist.
- She has over six years clinical experience working in the NHS, working with clients who have orthopaedic, cardiac and neurological conditions.
- As a case manager, Lisa has over 15 years experience and specialises in supporting clients and employers with maintaining and returning to work.

Rehabilitation Expertise

Rehabilitation Management

- Lisa has managed a wide range of injury and illness conditions as a Rehabilitation Manager.
- In recent years, Lisa was awarded Case Manager of the Year and Vocational Case Manager of the Year.
- In the NHS she worked across a variety of departments, including orthopaedics, cardiac, stroke and neurology.
- She is experienced at working in the hospital and the community, engaging with key stakeholders to support her clients' recovery.
- Lisa has a good knowledge of NHS and private provision as well as statutory services.

- Her clinical and case management experience, supported by a strong focus on goals and outcomes, enables Lisa to help her clients to maximise their rehabilitation potential.
- Lisa is able to deliver a range of interventions including Equipment Needs Assessment and Occupational Health assessment with a focus on assessing function for work.

Vocational Rehabilitation

- Lisa has specialist skills in vocational rehabilitation.
- She has significant experience working with clients and their employers to remain in work or facilitate a safe and sustainable return to work.
- In her role she can advise on reasonable adjustments to support a return to work.
- Where a return to the same job is not feasible, Lisa is skilled at supporting an employer to look at alternative roles to support the client.

CPD & Training

- Cardiac Conditions: Recovery Time and Impact on Return to Work
- Chronic Fatigue
- Pain Management
- Post Traumatic Stress Disorder

Memberships & Qualifications

- BSc Occupational Therapy
- Certified Disability Management Practitioner
- Member of BAOT, CMSUK & HCPC
