Base: Halifax

Areas Covered: North East, Midlands

Specialisms

Orthopaedic Trauma

Amputation (Lower Limb)

Acquired Brain Injury

Injury Expertise

- Complex Orthopaedic Injury
- Amputation (Lower Limb)
- Acquired Brain Injury (Mild & Moderate)
- Psychological Trauma

Clinical Experience

- A nurse, Louise has been a Rehabilitation Manager since 2007.
- She has over 25 years of experience with the NHS covering areas including: general surgery, orthopaedics and plastic surgery. Furthermore, her experience extends to Sister level management of a very busy private hospital outpatient department.
- Louise has considerable experience in a wide range of injury conditions.

Rehabilitation Expertise

Rehabilitation Management

- Rehabilitation Management: Louise has a strong level of experience in acquired brain injury, complex orthopaedics and psychological trauma.
- To supplement this, she has extensive experience in complex injury cases.
- This extensive experience allows her to effectively and efficiently co-ordinate and facilitate the most appropriate services for her clients.
- She has developed excellent links to treatment providers, both statutory and private in these areas.

- An area of specialism is assessing the home environment, providing advice on benefits, access and advice on statutory services, liaison with housing associations and working with disability employment advisors (DEA).

Vocational Rehabilitation

- Louise's vocational experience includes facilitating return to work meetings, agreeing and implementing alternative duties and graduated return to work programmes.
- When a return to the existing employer is not possible, Louise can assist with job seeking activities and the production of professional CVs.

CPD & Training

- BSRM Advanced Prosthetic and Amputee Rehabilitation Course
- Flags Biopsychosocial Model: Applying to rehabilitation management
- Motivational Interviewing
- Mental Health Training (depression, anxiety and suicide)

Memberships & Qualifications

- Registered with NMC
- Member of RCN
- Member of CMSUK
