- Health & Wellbeing
- Mental Health

Clinical Experience

- Ceri-Anne is an experienced emergency and primary healthcare medic and therapeutic counsellor.
- Initially in the armed forces as a combat medical technician and army primary healthcare manager.

Rehabilitation Expertise

Rehabilitation Management

- Ceri-Anne has worked as a case manager for eleven years, managing telephone and face-to-face cases.
- She is a skilled case manager, who was recognised at the Rehabilitation First Awards as Highly Commended for Case Manager of the Year.
- She has excellent knowledge of both NHS and private treatment services, and experience of working closely with GP practices, claims handlers, solicitors, social services hospital and community teams.
- Her considerable experience in managing early intervention cases is related to employer's liability and motor injuries.
- Focussing on the impact of injury, treatment effectiveness and additional treatment needs, she is highly effective at identifying barriers to recovery and return to work.

- Ceri-Anne has a Diploma in Integrative Counselling and is able to transfer these skills into her rehabilitation management practice.

Vocational Rehabilitation

- In her case management role, Ceri-Anne has extensive experience working with clients and employers to support their return to work.
- She has managed several notable Serious Incident Rehabilitation Service (SIRS) events including attending on site to support the employees and employers.
- SIRS work involved assessments and ongoing case management, arranging physical and psychological interventions to support employees, employers and wider stakeholders.
- Her background in Occupational Health and Wellbeing allows her to holistically support employees to return to work.

CPD & Training

- L1 Substance Misuse & L2 First Aid at Work
- Assist Mental Health First Aid
- Mental Health First Aider
