

## Wayne Hoolihan

Rehabilitation Manager

Base: Doncaster

Areas Covered: North East, North West, Midlands

### Specialisms

Orthopaedic Trauma

Polytrauma

Chronic Pain

### Injury Expertise

- Spinal Injuries (not Spinal Cord)
- Musculoskeletal

### Clinical Experience

- Wayne qualified as a Physiotherapist in 2012 and progressed his career in both the NHS and private practice in varied Musculoskeletal (MSK) settings.
- He has worked in the NHS in senior and advanced clinician positions in both acute and chronic MSK/Orthopaedic rehabilitation and Primary Care.
- Special interests are in the areas of complex orthopaedic injuries and chronic pain, including additional CPD and development.
- Worked in own private practice to deliver rehabilitation to medico legal clients and manage stake holder expectations.

### Rehabilitation Expertise

#### Rehabilitation Management

- Wayne has worked in the NHS in acute Orthopaedic injury management in Orthopaedic wards, fracture clinic and long-term rehabilitation of Orthopaedic injuries, including complex orthopaedic trauma and polytrauma
- Lead rehabilitation of complex trauma patients, specifically clients with external metal work/frames.
- In private care Wayne is experienced in rehabilitation of post trauma/injury MSK and Orthopaedic clients, creating goal focused rehabilitation programmes, accessing evidence-based interventions to achieve health, wellbeing, return to function and work outcomes, understanding the importance

of short and long-term goal setting to help clients achieve realistic rehabilitation goals.

- Experience in digital healthcare working as a First Contact Practitioner for Primary Care Networks in a remote setting, developing good knowledge of up-to-date modern healthcare delivery using technological tools to support rehabilitation.
- Experience in delivering pain management treatments in an NHS and private setting, understanding the importance of MDT working and delivery of collaborative healthcare.

#### Vocational Rehabilitation

- Experience of delivering vocational rehabilitation to varied professions including the emergency services.
- Using a client centred approach, with goal setting to engage and motivate clients, Wayne is an effective problem solver using his experience and critical thinking training to support a timely return to work, where appropriate.
