- Psychological Trauma

Clinical Experience

- Kirsty qualified as an Occupational Therapist in 2010 and progressed her career in the NHS, private sector and statutory services.
- She has gained her clinical experience including NHS, in both the acute and community setting, a specialist school for children with autism, as a personal independence payment disability assessor, adult care in the community and housing with local authority.
- Kirsty's most recent statutory role was as the housing OT for a local authority, a speciality role assessing and allocating local authority housing to those with complex medical needs. Adapting properties to meet clients' medical needs was a regular element to this role.
- Kirsty has expertise in supporting clients with multiple pathologies and with complex health and social care needs including orthopaedics, chronic pain, neurological conditions, mental health, mild to moderate brain injuries, alcohol problems and addictions.

Rehabilitation Expertise

Rehabilitation Management

- Kirsty has worked for the NHS in acute settings and discharge planning as well as community settings with the Local Authority. She is skilled in co-ordinating multi-disciplinary rehabilitation.

- Kirsty is experienced in working with her clients to understand the impact of the environment on function and quality of life, with regular involvement in managing large scale housing adaptations for clients with complex medical needs.

Vocational Rehabilitation

- Kirsty is experienced in completing in-depth holistic assessments for clients in the community setting, which addressed employment and barriers to employment.
- She regularly worked with and referred clients to local services that provided skill building and structured opportunities for clients wanting to get back into employment.
- Additionally, communicating with clients' employers and providing supporting evidence of need to employers was a regular part of her role as an OT within health and social care partnership.

CPD & Training

- COSCA certificate in Counselling Skills
- Assessment of capacity, POA and Guardianship
- Safeguarding and Protection of Adults/Children
- Suicide Awareness Training

Memberships & Qualifications

- BSc (Hons) OT
- HCPC registered
- Member of RCOT
- Member of CMSUK
