Specialisms

Children & Adults

Catastrophic Injury

Major Trauma

Injury Expertise

- Severe Acquired Brain Injuries
- Spinal Cord Injuries
- Complex Orthopaedic
- Psychological Trauma

Clinical Experience

- Marian is a Registered Nurse with over 40-years of experience.
- She has worked in a variety of clinical settings with over 20-years of experience in specialist acute spinal injury units, caring for adults and children.
- In her final clinical role, Marian worked as a Case Management and Discharge Coordinator, facilitating safe discharges into the community and ensuring that patients' long-term care and therapeutic needs were met.
- In her clinical roles, Marian gained significant experience in managing patients with complex orthopaedic injuries and traumatic brain injuries progress.

Rehabilitation Expertise

Rehabilitation Management

- Marian has been a Rehabilitation Case Manager since 2007, specialising in managing the needs of service users impacted by life changing injuries.
- She has extensive experience of providing expertise to clients impacted by spinal cord injury, severe traumatic brain injury and complex orthopaedic injuries.
- Marian has excellent knowledge of treatment and rehabilitation pathways for children and adults in both statutory and NHS settings.
- Marian is skilled in developing and co-ordinating multi-disciplinary rehabilitation programmes in community and hospital settings, enabling effective outcomes and working towards client goals.

Vocational Rehabilitation

- Marian is experienced in providing the appropriate support for return to work and specialises in providing people who have sustained serious and life changing injuries with return to work support. She also ensures that meaningful goals are considered for people who are unable to return to the workplace due to their injuries.
- Using a client centred approach, with goal setting to engage and motivate clients, Marian is an effective problem solver, using her critical thinking training to support a timely return to work, where appropriate.
- Marian is extremely experienced in navigating children and families for the journey of returning to school and further education following life changing injury.
