Base: Kent

Areas Covered: South East, London

Specialisms

Traumatic Brain Injury (Catastrophic)

Complex Orthopaedic

Children, Young People & Adults

Injury Expertise

- Neurological Conditions
- Orthopaedic Injuries
- Psychological trauma
- Birth Injuries including Cerebral Palsy

Clinical Experience

- Vicki qualified as a Physiotherapist in 2010 and progressed her career in the NHS across a variety of clinical settings, managing a wide range of complex injuries for adults and children.
- From 2014, she specialised in community paediatrics and progressed into senior leadership roles.
- Vicki has worked in the NHS in clinical lead roles since 2019 and managed school-years multi-disciplinary rehabilitation.
- Special interests are in the areas of paediatric neurology, orthopaedics and MSK. Vicki has well-established knowledge of a range of specialist therapeutic interventions related to these areas.
- She has experience in service development, training and understanding the importance of MDT working, and delivery of collaborative healthcare.
- Vicki also has significant experience of working with adults with neurological and orthopaedic conditions and injuries.

Rehabilitation Expertise

Rehabilitation Management

- Vicki has been a Rehabilitation Case Manager since 2024, specialising in providing rehabilitation management for both children and adults.
- She has extensive experience of providing expertise to clients impacted by severe traumatic brain injury and complex orthopaedic injuries.
- Vicki has excellent knowledge of treatment and rehabilitation pathways for her clients

in statutory and NHS settings. She is skilled in developing and co-ordinating multi-disciplinary rehabilitation programmes in community and hospital settings, enabling effective outcomes.

Vocational Rehabilitation

- Vicki is experienced in working with her clients to return to and sustain education and work.
- She is experienced in writing and supporting Educational Health Care Plans (EHCP) for children and young people, including transition into further education and work.
- Using a client centred approach, with goal setting to engage and motivate clients, Vicki is an effective problem solver, using her experience and critical thinking training to support a timely return to education or work, where appropriate.
